GLOBAL NOTES, METHODOLOGY, AND SPECIFIC DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

These Global Notes, Methodology, and Specific Disclosures (the "Global Notes") filed by the above-captioned debtors and debtors in possession (collectively, the "Debtors") in connection with the Debtors' Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "SOFAs") comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.

1. The Debtors prepared these unaudited Schedules and SOFAs pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"). Except where otherwise noted the information provided herein is presented based on the Debtors books and records as of the beginning of business on June 14, 2020. The Debtors last performed their standard monthly accounting close procedures related to its books and records for the period ending April 30, 2020. Unless otherwise indicated, all amounts are listed as of the Petition Date or as of the latest available record date prior to the Petition Date.

2. While the Debtors have made every reasonable effort to ensure that the Schedules and SOFAs are accurate and complete, based upon information that was available to them at the time of preparation, inadvertent errors, or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors' books and records may result in changes to financial data and other information contained in the Schedules and SOFAs. Moreover, because the Schedules and SOFAs contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that the Schedules and SOFAs are complete or accurate.

3. In reviewing and signing the Schedules and SOFAs, Matthew Manning, of M-III Advisory Partners, LP, the duly authorized and designated representative of the Debtors (the "Designated

Representative"), appointed in accordance with the Chapter 7 filing resolutions attached to the Chapter 7 petitions, has necessarily relied upon the prior efforts, statements and representations of other employees, personnel, and professionals of the Debtors. The Designated Representative has not (and could not have) personally verified the accuracy of each such statement and representation that collectively provide the information presented in the Schedules and SOFAs, including but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts and their addresses.

4. The Debtors reserve their rights to amend the Schedules and SOFAs as may be necessary or appropriate in the Debtors' sole and absolute discretion, including, but not limited to, the right to assert offsets or defenses to (which rights are expressly preserved), or to dispute, any claim reflected on the Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." These Global Notes will apply to all such amendments. Furthermore, nothing contained in the Schedules or SOFAs shall constitute a waiver of the Debtors' rights with respect to the chapter 7 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers, or an admission relating to the same.

5. Any failure to designate a claim listed on the Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of individual creditors are listed as the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors or setoffs applied by such creditors against amounts due by such creditors to the Debtors with respect to other transactions between them. The Debtors reserve all of their rights with respect to any such credits and allowances.

6. Some of the Debtors' scheduled assets and liabilities are unknown and/or unliquidated. In such cases, no amounts are listed or the amounts are listed as "undetermined," "unknown," "none calculated" or to similar effect. Accordingly, for this and other reasons, the Schedules may not fully reflect the aggregate amount of the Debtors' assets and liabilities.

7. At times, the preparation of the Schedules and the SOFAs required the Debtors to make assumptions that may affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and/or other items. Actual results could differ from those estimates. Pursuant to Bankruptcy Rule 1009, the Debtors may amend their Schedules and SOFAs as they deem necessary and appropriate to reflect material changes. In addition, the Debtors, for the benefit of their estates, reserve the right to dispute or to assert offsets or defenses to any claim listed on the Schedules or SOFAs.

8. Given the differences between the information requested in the Schedules and the financial information utilized under Generally Accepted Accounting Principles in the United States ("GAAP"), the aggregate asset values and claim amounts set forth in the Schedules may not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP. Information contained in the Schedules and SOFAs has been derived from the Debtors' books and records and historical financial statements.

9. Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting books and records. Therefore, unless otherwise noted, the Schedules and SOFAs are not based upon any estimate of the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost-prohibitive and unduly burdensome to obtain current market valuations of the Debtors' property interests. Except as otherwise noted, the Debtors' assets are presented, in detail, as they appear on the Debtors' accounting sub-ledgers. As such, the detail may include error corrections and value adjustments (shown as negative values or multiple line items for an individual asset). The Debtors believe that certain of their assets, including intangible assets, may have been significantly impaired by, among other things, the events leading to, and the commencement of, the Debtors' chapter 7 cases. The Debtors did not formally evaluate the appropriateness of the carrying values ascribed to their assets prior to commencement of the chapter 7 cases.

10. Owned property and equipment are recorded at cost and are shown net of depreciation. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets, which range from three to seven years for furniture, fixtures, equipment, and software.

11. Certain litigation actions (collectively, the "Litigation Actions") reflected as claims against a particular Debtor may relate to any of the other Debtors. The Debtors made reasonable efforts to accurately record the Litigation Actions in the Schedules and SOFAs of the Debtor that is the party to the Litigation Action. The inclusion of any Litigation Action in the Schedules and SOFAs does not constitute an admission by the Debtors of liability, the validity of any Litigation Action, or the amount of any potential claim that may result from any claims with respect to any Litigation Action, or the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

12. With respect to Schedule A/B, Part 3, the Debtors have made certain adjustments to the responses in this section and provide comments for clarification to properly reflect the Debtors' accounts receivable (the "Accounts Receivable"), with the information available. First, the Debtors excluded all customers where the net balance to such customer was shown on the Debtors' books and records as a negative amount. Second, the Debtors' unapplied cash and unposted payments accounts were netted against the Accounts Receivable in the respective Debtor entity's books and records in which they were recorded, and for purposes of this Schedule A/B, Part 3, all are assumed to be aged less than 90 days. Third, the Debtors' allowance for doubtful accounts were applied as shown on the Debtors' unaudited consolidating balance sheets and not otherwise allocated between entities, and are assumed to be aged less than 90 days. Lastly, the claims billing Accounts Receivable accounts are all assumed to be aged less than 90 days.

13. With respect to Schedule A/B, Question 3, bank account balances are reported as of close of business on June 12, 2020.

14. With respect to Schedule A/B, Question 61, the Debtors' books and records do not reflect which of the Debtor entities owns the domain names listed on Schedule A/B, Question 61, for Debtor Interactive Health Solutions, Inc. Because Debtor Interactive Health Solutions, Inc. was the primary operating company and owns 100% of the subsidiaries below it, the domain names are only listed in Debtor Interactive Health Solutions, Inc.'s Schedule A/B, Question 61.

15. Schedule D does not include beneficiaries of letters of credit. Although the claims of certain parties may be secured by a letter of credit, the Debtors' obligations under the letters of credit run to the issuers thereof, and not to the beneficiaries thereof.

16. Certain claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

17. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

18. Except as specifically stated herein, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.

19. The amounts listed on Schedule D do not include legal fees and expenses in connection with prepetition work provided on behalf of the secured lenders.

20. With respect to Schedule E/F, Part 2, all creditors and amounts listed are derived from the Debtors' accounts payable as of June 12, 2020. The Debtors are unable to state with certainty the dates that such debts were incurred, but in many instances have included the last invoice date listed in the Debtors' accounts payable books and records.

21. With respect to Schedule E/F, Part 2, where the addresses for certain creditors were not available in the Debtors' books and records, such addresses have been omitted.

22. The Debtors have included information for all of their known employees, each of whom was paid through and including June 14, 2020, on account of earned wages, salaries and paid time off. Any amounts owed to such employees are unknown, and have been listed as such on the Schedules. Appropriate correspondence regarding the commencement of these chapter 7 cases was sent to known employees and former employees immediately upon the filing of these proceedings.

23. With respect to Schedule G, Part 2, the remaining term for certain executory contracts or unexpired leases were not available based on access to the Debtors' books and records at the time of preparation of these Schedules. Such entries for remaining term have been omitted.

24. The businesses of the Debtors were complex and, while reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. The

presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or an unexpired lease.

25. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments, and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

26. For purposes of Schedule H, the Debtors have not listed their past insurers or current insurers as co-debtors because the Debtors are unaware of any actual present liability on the part of these parties. The Debtors reserve their rights to assert that any of the various foregoing parties (or any other party not listed on Schedule H whom the Debtors later discover to be liable in whole or part for any obligation of the Debtors) is a co-debtor with the Debtors, and neither these Global Notes nor the Schedules and SOFAs shall be deemed a waiver of any rights of the Debtors to assert that any entity not listed in response to Schedule H is a co-debtor with respect to one or more of the Debtors' obligations.

27. Prior to the commencement of these cases, during the week ending June 14, 2020, the Debtors issued multiple special payrolls to all employees for their earned wages, salaries, and paid time off. All other payrolls were made in the ordinary course of business on a biweekly basis. Due to the voluminous nature of such employee payments, the Debtors have excluded payments to rank and file employees in SOFA Question 3. For the avoidance of doubt, the Debtors have included all applicable payments to insiders in SOFA Question 4.

28. With respect to SOFA Question 3, the Debtors have included any disbursement or other transfer made by the Debtors within 90 days before the Petition Date except for those made to or on behalf of insiders (which payments appear in response to SOFA Question 4), employees, interbank transfers done as part of the Debtors' cash management system, and bankruptcy professionals (which payments appear in SOFA 11 and include any retainers paid to bankruptcy professionals during the one-year time period).

29. With respect to SOFA Questions 5, 6, 8, 10, 12, 22, 23 and 24, the Debtors have indicated a response of "None" to each Question. The Debtors have indicated such responses to the aforementioned Questions based on the information available at the time of preparation of the Schedules and SOFAs, and any information to the contrary was not available in the Debtors' books and records based upon reasonable review of available information.

30. With respect to SOFA Questions 26(b) through 26(d), the Debtors have excluded rank and file accountants and bookkeepers in response to this Question, instead listing those officers who supervised them, as well as the Debtors' external accounting and audit firms.

31. With respect to SOFA Question 26(d), the Debtors have provided financial statements in the ordinary course of their businesses to numerous financial institutions, creditors and other parties within two years immediately before the Petition Date. The disclosure of each such parties would be impractical and burdensome as the Debtors generally do not track such sharing. Moreover, the parties with which the Debtors have shared such financial statements may have in turn further shared the financial statements with other entities without the Debtors' knowledge or consent.

32. The Debtors and their past or present officers, employees, attorneys, professionals and agents (including, but not limited to, the Designated Representative), do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtors and their past or present officers, employees, attorneys, professionals and agents (including, but not limited to, the Designated Representative) expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their past or present officers, employees, attorneys, professionals and/or agents (including, but not limited to, the Designated Representative) be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of any potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused arising from or related to any information provided herein or omitted herein.

33. The Debtors have excluded certain categories of assets and liabilities from the Schedules and SOFAS, such as but not limited to, tax accruals, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors also have excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected. In addition, other immaterial assets and liabilities may also have been excluded.
